THE WOMEN'S FEDERATION FOR WORLD PEACE, HONG KONG

THE WORDS OF DR. HAK JA HAN, the founder of the WFWP.

Establishment Rally for the "Abel Women, UN' on July 16, 2012, in South Korea

NGO in general consultative status with the Economic and Social Council of UN

On July 16, 2012 distinguished guests from 194 nations around the world, and leaders of the Women's Federation for World Peace, WFWP International attended rally for the "Abel Women UN" in South Korea.

"When we look back, today's historical Establishment Rally for the 'Abel Women, UN began from the establishment of 'Women's Federation for World Peace', which was created as the spinal organization for women's peace movement according to the Will of Heaven." said Dr. Han. It was established in April 1992, at the Olympic Stadium in Seoul, and it was attended by women representatives from some 70 nations and 150,000 Korean women leaders. For twenty years since its establishment, 'Women's Federation' has been constantly engaged in world peace movement through creating networks for peace movement centering on women in 160 nations around the world.

For the past 20 years, the Women's Federation which started with such providential goal has experienced remarkable growth as it operated and managed many supportive and educational programs around the world aimed at elevating the status of women and realizing the settlement of families based on True Love.

Women's Federation for the World Peace, Hong Kong delighted to attend this historical Rally in S-Korea.
