On 13th January, WFWP HK organized a "Tung Chung Fun Day" event at the Lai Shuk Ying Memorial Square in Tung Chung. A dynamic martial arts demonstration, a professional clown and free origami lessons attracted around 200 people to participate in the activities. The martial arts performance was made by a Taekwondo team with members of all ages. The audience

was amazed by the martial artists' skill in breaking wooden boards and flipping through the air. Children crowded around the clown, waiting patiently for their own balloon animal. And Japanese WFWP members invited onlookers to learn the Japanese craft of origami at the WFWP table. The event was funded in part by the Island District.
